

CALL FOR PAPERS

2nd Central European Conference in Regional Science - CERS

October 10th - 13th, 2007

Nový Smokovec - High Tatras

Slovak Republic

The 2nd International Scientific Conference is organised by:

- Technical University of Košice, Faculty of Economics and Institute of Regional and Community Development
- University of Economics in Bratislava
- Slovak Section of the European Regional Science Association
- German Speaking Section of the European Regional Science Association

Conference topics:

- Regional science and its application in European countries
- Regional competitiveness, innovation and entrepreneurship
- Cross-border cooperation and development

Conference sessions:

The conference programme will be divided into thematic sessions that will be held in English. Besides ordinary sessions, a session for young scientists (doctoral students and researchers up to 33 years old) is planned. Papers presented by young scientists may apply for an award.

- A. Regional science in CEE countries - new challenges, new topics?
- B. Regional economic growth and development
- C. Regional economic modelling, geographical information systems
- D. Infrastructure, transport, mobility and communication
- E. New technologies, innovation and entrepreneurship
- F. Decentralisation and regional policy
- G. Regional Trajectories to the Knowledge Economy

Language:

The official language of the Conference is English. One session in Slovak will be held. All abstracts will be required to be in English.

Keynote speakers:

Paul Cheshire, President of ERSAs, London School of Economics, United Kingdom
Gunther Maier, Vienna University of Economics and Business Administration, Austria
Peter Nijkamp, Free University of Amsterdam, Netherlands
Adrian Smith, Department of Geography, Queen Mary, University of London
Peter Treuner, University of Stuttgart, Germany
