

FASTER

ICT – Financial and Accounting Seminars Targeting European Regions

Web portal

Information day 2,
Košice 26.9.2012

Jozef Bucko – TU Košice, Faculty of Economics

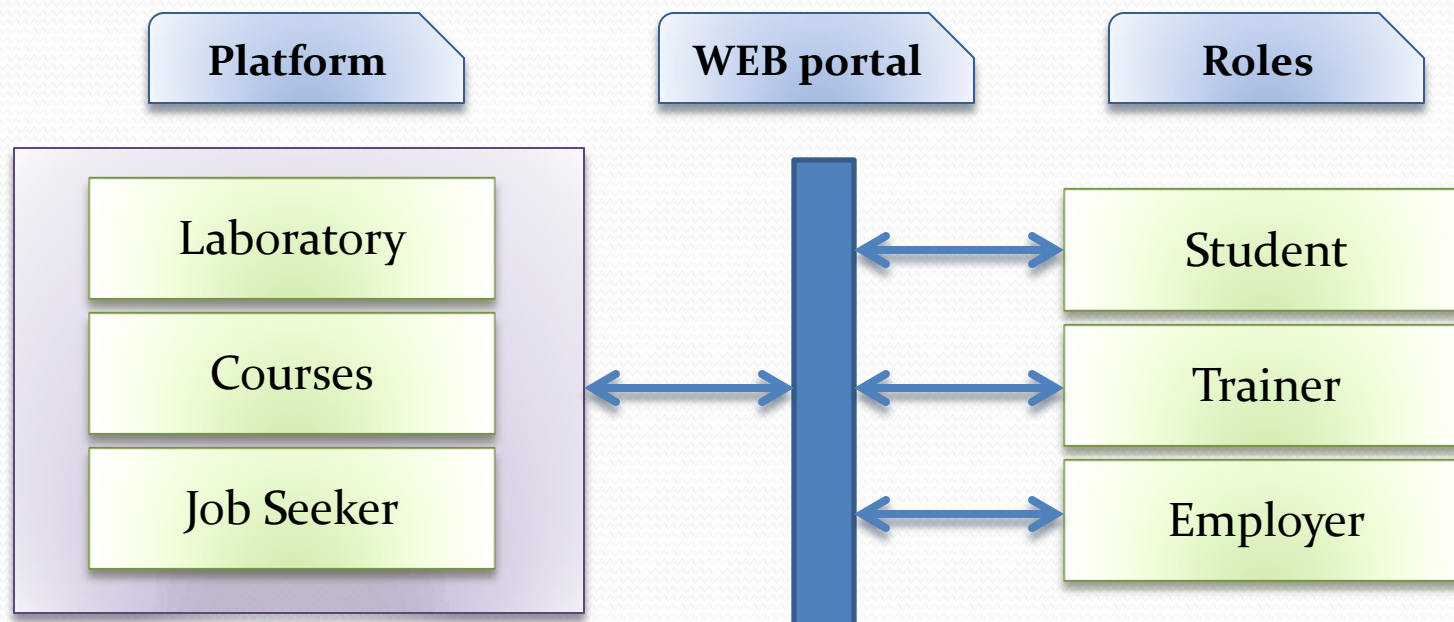

Motivation - Dissemination

- The main goal of project FASTER is development and innovation of on-line platform of accounting education.
- The main aims of web portal are:
 - To create interest in the target group (students, people who want to learn accounting, academic staff, employers in accounting).
 - To create interest in public community and to support in this area.
 - To build mechanisms for feedback through informal communication in the community.
 - To support efforts EU to develop educational activities on European regions

Plan of development of web portal and its content

- The portal will be developed by Athens University of Economics and Business (AUEB) - first version
- National language versions of web portal will be developed by participating partners.
- FASTER's Web portal will be the medium for international dissemination. It will contains the following information:
 - Presentation of the project consortium FASTER.
 - News and reports about the project FASTER.
 - Freely available course materials.
 - Access to teaching platform FASTER (after registration)

General information

The screenshot shows a web browser window with the address bar displaying "fasterproject.eu". The website header features the "faster" logo and the text "Financial & Accounting Seminars Targeting European Regions". A search bar is located in the top right corner, and a "Login" button is visible. Below the header, a navigation menu includes links for "Welcome", "Learn with us", "Join FASTER", "Interesting weblinks", and "Contact us". The main content area is titled "For whom" and contains the text "There are no translations available." followed by a list of target groups. A sidebar on the left contains a "What is FASTER Why?" section.

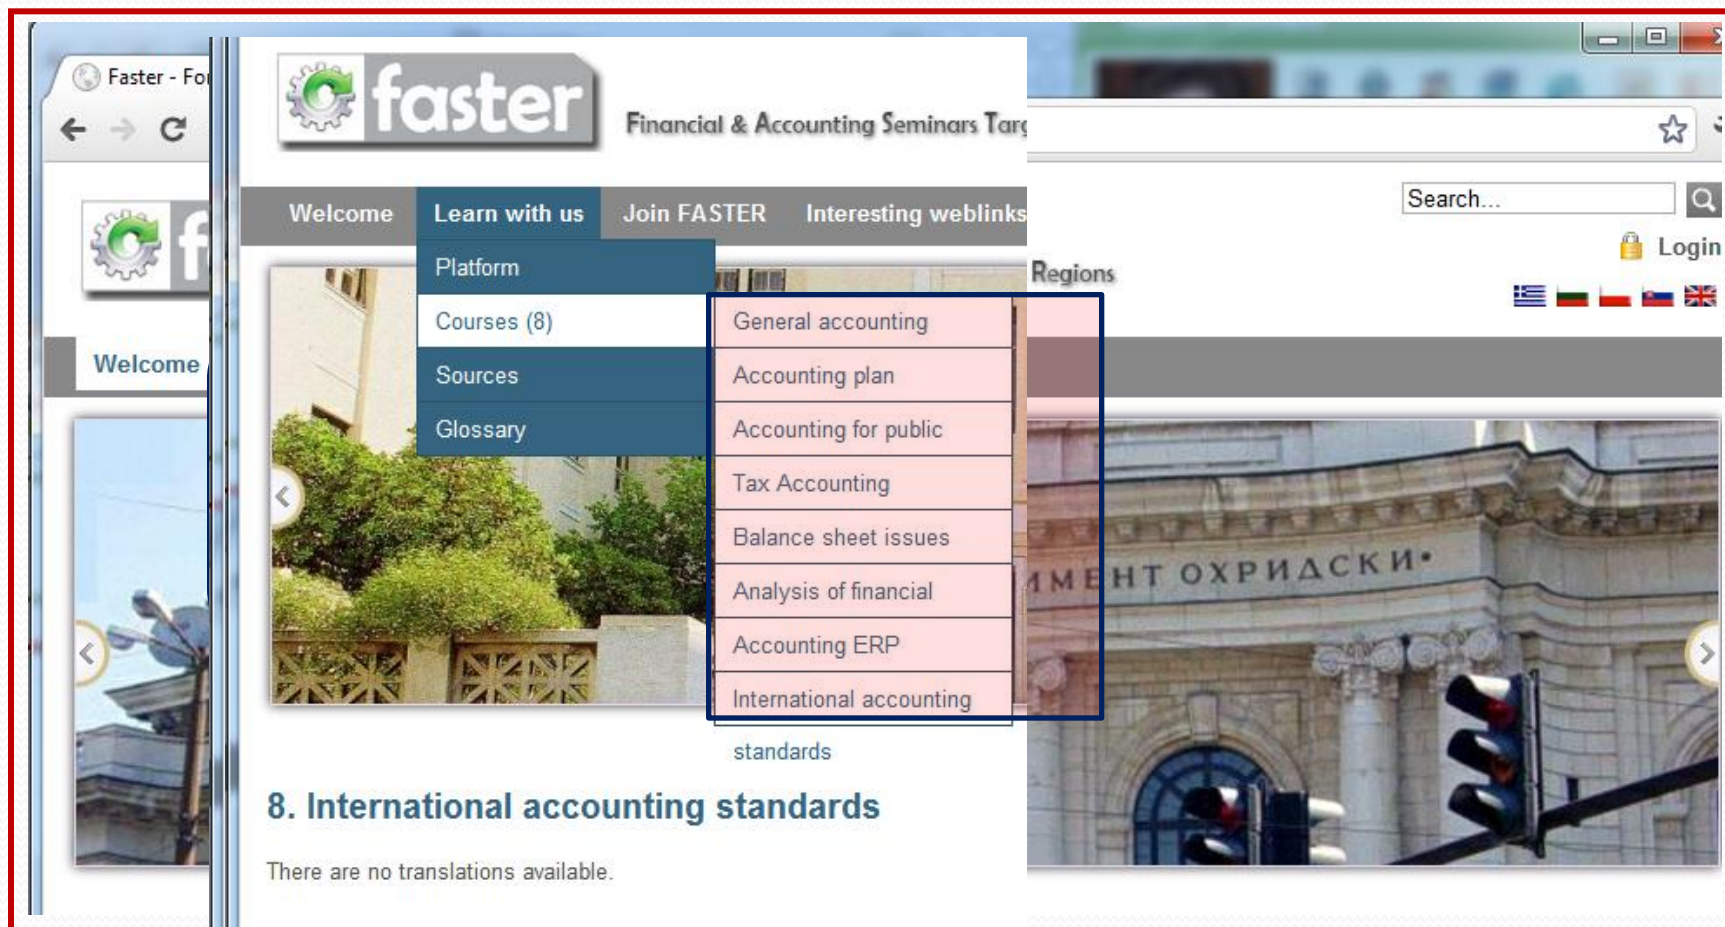

For whom

There are no translations available.

Faster covers a wide range of people, specializing on:

- ◊ students in pursuit of practical application of their theoretical background
- ◊ graduates in search of employment
- ◊ professional accountants in pursuit of vocational training
- ◊ natural and legal entities
- ◊ private sector (accounting firms, banks, etc.)
- ◊ financial services of public authorities

Education and courses

The screenshot shows the FASTER website interface. The top navigation bar includes 'Welcome', 'Learn with us', 'Join FASTER', and 'Interesting weblinks'. A dropdown menu is open under 'Learn with us', listing 'Platform', 'Courses (8)', 'Sources', and 'Glossary'. The 'Courses (8)' option is selected, displaying a list of course topics: 'General accounting', 'Accounting plan', 'Accounting for public', 'Tax Accounting', 'Balance sheet issues', 'Analysis of financial', 'Accounting ERP', and 'International accounting'. Below the list, the text 'standards' is visible. The main content area features a large image of a building with the text '8. International accounting standards' and a note stating 'There are no translations available.' The right sidebar contains a search bar, a login button, and flags for various countries.

Administration – project partners area

The screenshot shows the 'Faster Project Management' web application. The browser address bar displays 'fasterproject.eu/project/index.php?c=access&a=index'. The page title is 'Task 1.8 - Consortium Meetings'. The left sidebar contains a tree view of workspaces, including 'WP1 - Project Management', 'WP2 - Online Educational Platform', 'WP3 - eModules & Educational Products', 'WP4 - FASTER Pilot Use - Courses', 'WP5 - Dissemination', 'WP6 - Evaluation', and 'WP7 - Evaluation'. The main content area is titled 'Task 1.8 - Consortium Meetings' and includes a 'Getting Started' section with instructions for new users. Below this is a calendar view for the week of June 18th to 24th, 2012. The 'Activity' section shows a list of recent actions, such as 'Anna Bialek-Jaworska subscribed' and 'Orestes Vilmas added the file'. The 'Workspace information' section on the right provides details about the current workspace, including shared users and creation/modification dates.
